DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: a support structure for accommodating a flat computer comprising: a socle; a carrier platform; a first bi-directional adjustment mechanism, fixedly mounted to the socle; a second bi-directional adjustment mechanism, fixedly mounted to the carrier platform; and a connecting rod, having two ends, wherein one end of the connecting rod is connected to the first bi-directional adjustment mechanism, and the other end is connected to second bi-directional adjustment mechanism, so as to enable adjustment of an inclination angle of the carrier platform and the connecting rod relative to the socle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
